

SO YOU'VE CLOSED...NOW WHAT?

STORE YOUR DEED & OWNER POLICY OF TITLE INSURANCE

You will receive the original recorded Warranty Deed and Owner Policy of Title Insurance from Rattikin Title via USPS. Verify the information on the documents and store for safekeeping.

REVIEW YOUR MONTHLY STATEMENT

Your lender will send you a monthly statement along with instructions for making your loan payments. If you do not receive a notification from your lender, call the lender for assistance.

FILE YOUR HOMESTEAD EXEMPTION

A Homestead Exemption could potentially reduce the amount of taxes owed on your property. Download the application form from your appraisal district's website and follow the submission requirements and instructions specific to your district. Note: You must occupy the property by January 1 of the filing year to apply. Contact your tax appraisal district for questions.

FORWARD TAX NOTICES TO YOUR MORTGAGE COMPANY

If your property taxes are being escrowed by your mortgage company, forward any tax notices you receive to your lender.

ENJOY YOUR NEW HOME

With the closing process behind you, now it is time to enjoy your new home!
